## GRANULAR REPELLENT

**KEEP DOGS AWAY NATURALLY!**

When family dogs can run free throughout a yard they often can cause unsightly damage. Digging can destroy beds and landscaping.

Urine spots and other messes can make even large yards unpleasant to use for children and other family members. Even where leash laws are in effect, your curbside, lawn and decorative plantings

can be soiled and even ruined by dogs on leashes doing their business or marking their territory.

Now it's possible to protect your lawn and curbside from unwanted brown spots and other messes. **Train** your dog to stop digging in the wrong places. **Teach** your pet to use designated areas for relieving himself, and to avoid yards and beds reserved for your family and favorite plants. **Stop** dogs on leashes from doing their business on **your** property! **Scram for Dogs™** stops dogs in their tracks and trains them to stay away!

RETAILERS' CHOICE AWARDS  
• Award Winning  
• Nationally Acclaimed

Like EPIC's other fine granular repellents, **Scram for Dogs™** is specially formulated to **NATURALLY** repel dogs from treated areas. EPIC's unique natural formula was designed **just for dogs** and has been tested & proven to successfully repel & **TRAIN** dogs from entering or digging in treated areas.

**Scram for Dogs™** is safe around pets of your own, children & plants - **entirely** organic, biodegradable, and is a low cost solution to rid your property of unwanted pests.

Our ingredients are **organic** & will biodegrade without leaving a permanent residue.

**Scram for Dogs™** is for **outdoor use only**, designed to be used in any climate or temperature.

We stand behind all our granular repellents with the industry's best 100% **GUARANTEE**.

**Scram for Dogs™** is no exception!

**A GREEN Solution to Repelling Dogs!**

### THREE EASY STEPS TO APPLY

- 1 Before applying, turn bag upside down and shake the closed bag vigorously.
- 2 Apply by shaking granules in and around the area to be protected.
- 3 Once repelling action is well established, reapply every two or three weeks. Reapply after heavy rains.

*The product should repel dogs immediately and quickly train them to avoid treated areas. If necessary, reapply as needed until product is effective and avoidance training is demonstrated.*

**Provides 600 SQUARE FEET OF PROTECTION Per Pound!**

Scram for Dogs™ is a registered product of Enviro Protection Industries Company, Inc. EPIC represents that our products are exempt from EPA registration under Section 25(b) of FIFRA and has not been registered by the EPA.
